

## About us

## DELIVERING LEGAL EXPERTISE AND PRACTICAL SOLUTIONS

At Sydney Business Lawyers we see ourselves as a small team of experienced lawyers and advisers who are here to help you. We pride ourselves on our knowledge, innovation and skill as well as our high level of personal service. Our approach to your business and personal legal needs is to build an overview of your individual situation and develop a **thorough understanding of your needs and priorities**. We then present you with the most appropriate and valuable solution whilst protecting your legal position at a cost that has been agreed with you. Above all we pride ourselves on our client relationships. **We are in tune with our client's needs. We are responsive and we are willing to go the extra mile to help you.**

### WITH AN EMPHASIS ON **VALUE AND UNDERSTANDING**

#### **KNOWLEDGE**

Our lawyers have 70 collective years' experience. It is their vision that drives the business and ensures that every client, whether business or private, is delivered a high level of expertise and a quality solution that is directly aligned with their goals.

Sydney Business Lawyers also act as consultants to Accountants, Financial Planners & Advisers who refer their clients to us for assistance in more specialised matters. 75% of our work comes to us in this way. We must be doing something right.

Most of our work is either repeat business or referral by word of mouth and reputation. This is testament to our valuable experience, our expertise, our personalised service and our dedication to providing solutions for our client's needs.

#### **INNOVATION**

We are advocates of plain English and clear, comprehensive communication and documentation. We are readily available and accessible and work hard to make the process as prompt, simple and hassle-free as possible for you.

We have developed a sophisticated, innovative and rigorous set of systems, procedures and documentation that offer you consistency and certainty of outcome and ensure that we are able to deliver on time.

Our web-based Standard Document packages provide a simple, cost effective and user-friendly system for the establishment of standard business structures and compliance arrangements such as; SMSF structures, Trust Deeds, Partnerships and Division 7A loan agreements.

We bring a fresh and modern approach to your business and personal needs.
